Instructions

For completing the Service Enquiry form

To ease the completion of the Service Enquiry form, please read and follow the instructions below.

Date:

Enter today's date by clicking the arrow and selecting the date in the pop-up calendar.

Company name:

Enter your company's full name.

Contact person:

Enter your full name.

City:

Enter your company's city location.

Country:

Enter your company's country location.

Tel. no.:

Enter your direct contact telephone number.

SCITEQ equipment:

Please select the equipment with which you may have a technical problem from the drop-down list. In case of your equipment not being listed, please select "Other" and specify your equipment in the field "Description of technical problem".

SCITEQ order no.:

The order number is stated on the information plate on the rear of the machine/equipment.

The number consists of 5 digits starting with "1" or "2".

Example - in the below example the order no. is "22966".

Description of technical problem:

Describe the problem that you may have with your equipment. Enter as many details as possible to assist our service engineers in consulting the problem.

Send E-mail:

After completion, please click the button "Send E-mail". Your mail will be sent to SCITEQ's Service Department.

Print Form:

To print a copy for your own use, please click the button "Print Form" (please note: the form will NOT be forwarded to SCITEQ by this action).
